

THE LAND BETWEEN

Giants in the Land – 6/20/2021

OVERVIEW

While we are in the land between, there are two things we can be confident of as God births new dreams and visions in us: God is truthful and “the land” will be everything He promised it would be; and God is faithful but “the land” will not be void of obstacles. How will we respond when we are faced with these obstacles, these so-called giants? Will we trust the promises of God through faithful obedience to His Word, or will we succumb to fear that is deeply rooted in unbelief?

Scriptures: Numbers 13:1-3,17-22,25-33, 14:1-3; Genesis 15:1-2,6,12-21; Isaiah 40:21-23, 41:10; 1 Corinthians 1:26-31

APPLICATION

- What is the biggest obstacle that you have overcome in your life? What are some things that helped get you through it?
- Fear is cultivated in the soil of unbelief. What is something that you are currently struggling with that is making you question God’s faithfulness? Have someone pray with you through this.
- Faith is cultivated in the soil of assurance. What is one place right now where you know God is asking you to step out in faith, despite not seeing the outcome? What assurances can you hold onto from His Word as you do this?
- Scripture tells us that only Joshua and Caleb (two of the spies) wholly followed the Lord. What area of your life are you not doing this, and what changes are you willing to make today?
- NEXT STEPS: Spend time praying through Isaiah 41:10 and allow the five promises in this verse to direct and encourage your prayers. Obey what the verse commands: do not be afraid, and do not be discouraged. Take God at His Word and fully trust what He says.
- As you fast and pray this week for God’s direction (your next step), hold onto the promise that if you seek the Lord with all your heart, you will find Him! if you seek for him
