

Baptism - 05/19/19

OVERVIEW

If you've never experienced a Baptism Celebration at Blue Ridge—or if you've been to three dozen—you don't want to miss this service! Hear the stories of redemption and life change and join us as we celebrate the transforming impact of God's grace in the lives of others.

Scripture: John 10:10 (NIV)

APPLICATION

1. BRCC Baptism services always have stories of life change. Which story (or which part of a story) did you identify with the most? Why?
2. In John 10:10, Jesus claims to bring abundant life to a believer. What do you think this means? How are you experiencing abundant life?
3. What are some places in your life that seem to get in the way of abundant life?
4. Have you ever been baptized? If so, what was that like? If not, why not?
5. Throughout the morning, we were reminded that people come to Christ, but they rarely come alone. Often, people come to faith by being led by other people. Is there a role you need to take in someone's life to share Christ with them...or....do you need to accept someone else's influence? How can you be active in God's calling—either leading or following someone to Christ?

HOMEWORK: This week, take the time to write down the names of people in your life who might need to be a part of the body of Christ. Begin praying for their salvation this week.
