

WHAT IS A DISCIPLE

A Disciple Is Being Made Like Jesus - 1/19/2020

OVERVIEW

When we want to make something new or see a change in a specific area, it takes TIME. A perceived lack of time often keeps us from what we know we should be doing. We begin to make excuses as to why we can't make the change we need in order to be made more like Jesus. Jeremy reminds us that all we need to do is create space and time. The question that we need to ask as someone being made like Jesus is, "What is my next 'No'?" Saying 'No' to less important things that take up our time can allow God to work in our lives to shape and mold each of us to become more like Him.

Scripture (ESV): Mark 1:17; 1 Corinthians 3:6-7, 9; Luke 9:57-62

APPLICATION

- Whether it's now, or whether it was 10 years ago, describe the busiest season of your life.
 - When "A disciple is being made by Jesus," He is the one who is doing the making. How has God recently been working in you and making you more like Him? If you are not seeing change, what is the reason (or reasons) this might be?
 - We must be willing to provide the time and space to allow God to move and make us more like Him. What is your next 'No' that would make you more available for God to move in you?
 - As you think about this 'No,' what things need to change in your life?
 - Homework: This week we specifically looked at asking God to show us where we need to say 'No.' Step into your next 'No' and eliminate hurry in your life. See how God will begin to change you. Check out John Mark Comer's book, *The Ruthless Elimination of Hurry*.
