### OVERVIEW

Pray first, then plan - our first core value. Out of our prayers and fasting, a Bedford Campus was birthed. And today we celebrate the grand opening of our permanent Bedford home. God has paved a way and is moving, but we cannot become complacent; He has called us to “go out and make disciples!” How is God going to continue to use Blue Ridge to advance His Gospel and what is your part to play?

Scriptures: Matthew 28:18-20
