

WOOLY – 10/17/2021

OVERVIEW

As disciples of Jesus, we are appointed and sent to go out and spread the good news of Jesus. But as we are going, we are also called to look for “Persons of Peace.” People who are welcoming, who open their home and family, and who are ready to listen and respond to what God might be asking them to do. Who is the **WOOLY** person in your path?

Scriptures: Luke 10:1-7

APPLICATION

- Jeremy shared about his launch group’s prayer walk in Altavista and how they walked and asked anyone they encountered if they could pray for them. When you heard that story and what they did, what thoughts came to your mind?
- Do you view yourself as someone who is appointed and sent out by Jesus? Why or why not?
- Jeremy talks about the tool **WOOLY** to find a person of peace.

W – Welcoming (their heart, their home, their time)

OO – Open Oikos (Greek word for House or Household)

L – Listen and respond to what God might be doing in them

Y -

As you look at the description above for **WOOLY** answer these two questions:

1. Who might God be bringing into your path that fits these characteristics? How could you continue to build that relationship to see what God might be doing?
 2. Do these characteristics resemble the life you live? Why or why not? What needs to change?
- **TAKE THE CHALLENGE:** Pray that God would bring a “WOOLY” person into your path. Let’s see what God might do with intentional prayer!
